FIRE CAUSES \$8,000 LOSS

Cashtown firemen were called this morning at 1 o'clock when a trailer owned by Interstate Trucking Co. caught fire on the new Lincoln Highway, near the Cashtown intersection.

Assistant Fire Chief Kenneth Kuhn said the trucker was driving east off Mt. Newman when a tire blew out. The truck continued and another tire blew out east of the Cashtown intersection. Before the driver could bring the vehicle to a halt the friction from the rubbing of the two blown tires had caused them to burst into flames. The driver, whose name was not secured by the firemen, used extinguishers available in the cab of his tractor, but was unable to put out the fire.

A passing motorist called the Quick Call Center here and the Cashtown firemen were alerted. Kuhn reported the tires were so hot that when firemen stopped pouring water on them, believing the blaze extinguished, they again burst into flames. Firemen stayed on the scene 2½ hours before the blaze was finally extinguished.

Kuhn said the trailer, which was carrying 36,000 pounds of steel in four separate packages, was destroyed. He estimated loss at \$8,000 to \$9,000. Holes were burned in the aluminum side and bottom of the trailer and the underframe was bent.

The tractor, unhitched from the trailer when the vehicle halted, was undamaged.

New Schedule For Meditation

A new schedule of Adams County clergymen who will conduct the "Morning Meditations" over radio station WGET four times a week beginning next Monday was announced today by Rev. Otto Kroeger, pastor of the Zion Lutheran Church, Fairfield, and secretary of the Adams County Ministerium.

Clergymen who will conduct the meditations have all volunteered to serve in this capacity and each has been assigned specific dates. The new schedule which becomes effective next Monday makes all other schedules invalid.

Each clergyman has been assigned two dates.

The complete schedule from Dec. 4 through March 16 will be published this week in The Times.

INDICT LOCAL RESIDENTS FOR SIX FORGERIES

A Cumberland County grand jury Monday returned true bills on six counts of forgery against Robert B. Hollingsworth, aged 40, 37 E. Lincoln Ave. All of the charges were placed by West Shore Police Chief James L. Clark.

Hollingsworth is a prisoner in the Lehigh County Prison in default of \$20,000 bail after being captured by Allentown police October 27 when he attempted to draw \$280 from the First National Bank of Allentown after placing \$640 in alleged worthless checks in an account he opened at that bank.

According to the records at Allentown, Hollingsworth pleaded guilty to two charges of worthless checks and two of passing forged instruments before Alderman Robert R. Williams in Allentown on November 2.

According to information given by police to the Allentown Call and Allentown Chronicle, Hollingsworth had previously victimized the Merchants National Bank in Allentown in June by depositing \$600 in worthless checks and withdrawing \$275 in cash. When he attempted the same scheme, according to the Allentown police, at the First National Bank in Allentown a teller called police who found checks from 30 banks in Pennsylvania and Maryland in Hollingsworth's car.

The officers, according to the Allentown newspapers, found a discharge paper in Hollingsworth's possession which listed him as serving in World War II and the Korean War as a lieutenant colonel in the Airborne Infantry and as recipient of the Distinguished Service Cross, the Silver Star with oak leaf cluster and five Purple Hearts. Allentown police later were reported by the Allentown papers as saying Hollingsworth, after being placed in jail, told them he had not served in the Korean War but served in World War II as a lieutenant.

The Allentown police said Hollingsworth added the "Col" after the "Lt." and added the decorations after receiving the discharge.

Opposition Leaders Demand Dominican Republic Shake-up

By ROBERT BERRELLEZ

SANTO DOMINGO, Dominican Republic (AP)—Opposition leaders, backed by a threatened general strike, demanded Monday night that President Joaquin Balaguer accept a provisional government immediately in a power shift that reportedly would hand the presidency to the opposition National Civic Union.

According to purported copies of the Civic Union's demand, the presidency would go to Viriato A. Fiallo, head of the party.

Under the proposal, Balaguer would appoint Fiallo secretary of state for the armed forces, temporarily replacing Gen. Pedro Rodriguez Echavarría, who would become air force chief of staff. Balaguer would then resign and Fiallo, next in line of succession, would assume the presidency. Rodriguez Echavarría, who foiled two Trujillo brothers' plans for

9 ROTARIANS HONORED FOR ATTENDANCE

Nine members of the Gettysburg Rotary Club were honored for having from one to 14 years of perfect attendance at the meeting of the club Monday evening in the YWCA.

Mares Sherman, who received a pin for 14 years' perfect attendance, spoke briefly saying, "I am honored and proud to receive this pin. While I like everything about Rotary, I think the most important thing is the fellowship you gain when you attend your local club meetings or make up at other clubs. In fact half the fun is making up meetings, learning to know members in other cities and seeing how they run their clubs."

"I became a Rotarian in 1941 and then started reading the books about Rotary they had given me. I found it interesting. Then about four years later I was honored by being made sergeant-at-arms and served on the board of directors. All the time I was absorbing Rotary. By the time I was vice president I began building a perfect attendance record. I found it not too difficult to make up meetings. I carried a directory in the glove compartment of the car while on vacation and found there was always a Rotary meeting somewhere near where I was. In fact I've made up meetings six times in Canada. In 1948-49, when I was president, I represented the club at the Rotary International meeting in New York and there you begin to truly appreciate the world-wide work of Rotary."

HOSPITAL NO BARRIER

"I hope I can continue the perfect attendance record. After you have achieved a record of one or two years you want to continue it. I almost missed once. I was in a hospital at Reading. But my physician was a Rotarian and when I told him about it, he made arrangements with the Rotarians there for me to attend their meeting. I was there only about 45 minutes—but I made it."

Clifford B. Snowberger, chairman of the attendance committee, presided at the presentation with the pins placed on the recipients by the members of his committee: Paul Witt, Dr. James Sheen and Melvin Sargeant. One-year perfect attendance pins were presented Dr. John Zinn and William A. Lentz; two years, Calvin Shank; four years, Dr. M. S. Stokes; seven years, Ray Selzer; eight years, Melvin Sargeant; 10 years, John Hostetter, and 13 years, Harold Reuning.

DECEMBER PLANS

Vice President Clark Smith reported that next Monday John J. Coughlin, Harrisburg, retiring president of the Gettysburg Battlefield Preservation Association, will speak on the progress of that organization. On December 11 a program will be presented by the National Association of Management Clubs and December 18 the annual ladies' night Christmas program will be held at the Hotel Harrisburg.

The president, Dr. Richard Newsham, presided at the meeting. Group singing was led by Dr. Harold A. Dunkelberger accompanied at the piano by Dr. Frederick Shafer.

PLAN BRIEFINGS

Two briefing sessions will be held for the volunteers who will man the Holiday Bureau during December. It was announced today. The same instruction will be given at each session. Two are being held to permit all to attend. The first session will be held at the YWCA Wednesday evening at 7:30. The second will be held Friday afternoon at 2 o'clock at the YWCA.

a coup 10 days ago, then would be named armed forces chief again.

7-MAN JUNTA

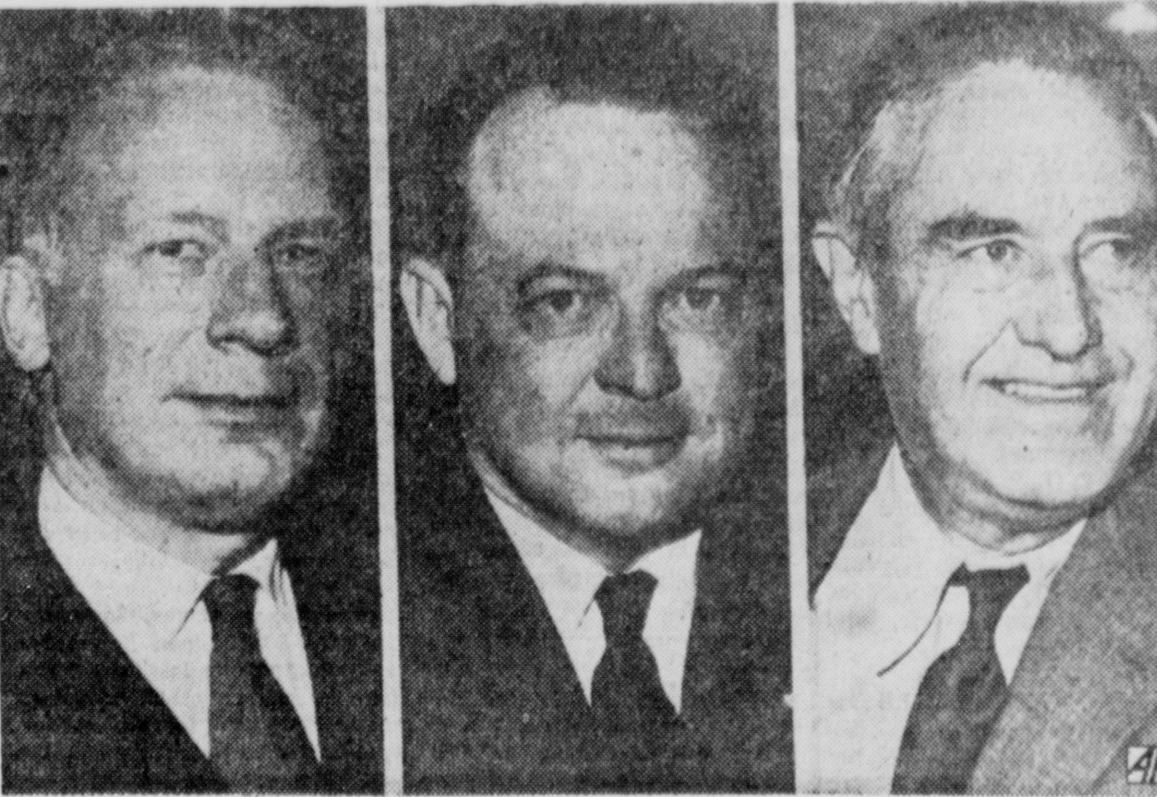

A seven-man junta, including a military member, then would assume executive and legislative functions. Congress would be dissolved and the junta would remain in power until general elections were called.

Balaguer's whereabouts were not known Monday night. The presidential palace was dark.

Support mounted for the first general strike called in the Dominican Republic since the late dictator Rafael Trujillo took control more than three decades ago. The strike was called by the lawyers' association to back the opposition demand. More and more groups, including the important sugar workers, announced their support.

Almanac Says 1962 Will Be Hot, Sultry And Wet; Venus Is Reigning Planet

With only a little more than a month of 1961 remaining, the 1962 almanacs are out with all their facts and guesses about 1962.

If the "Agricultural Almanac," issued at Lancaster, is to be believed, more heat records than winter marks will be set and the year will be wet, sultry and at times very hot—because Venus will be the reigning planet for the year.

However the prognosticators who make up the almanac say spring will be late although it will be temperate and favorable to the culture of fruit and grain.

HOT SUMMER AHEAD

But summer will be sultry and warm there may be drought and great heat. Fall will come in warm and fair but will change soon and farmers have fair warning to get their winter grain in the ground in time.

Early 1962 is to see a mild winter which will turn very wet after February 12.

Following in 1961's footsteps, next year will have only two Fridays falling on the 13th of the month—in April and July. The only ones this year were in January and October.

FIVE ECLIPSES

This year a number of interesting celestial events will occur. Probably of greatest interest will be five eclipses of the sun and moon, all but one visible in some part of the United States.

There will be a total eclipse of the sun February 4-5, the ending visible in the extreme western part of are United States. The eclipse will be visible in the

Kennedy Tells Red Editor Root Of World Trouble Is Russia's "Communization"

WASHINGTON (AP)—President Kennedy told Iztvestia editor Alexei Adzhubei in an interview published today that the root of East-West conflict is the Soviet's efforts "to communize, in a sense, the entire world."

The interview was published today by the Soviet government paper and made public by the White House.

In it Kennedy told Adzhubei, son-in-law of Premier Khrushchev:

"If the Soviet Union were merely seeking to protect its own national interests, to protect its own national security and would permit countries to live as they wish—to live in peace—then I believe that the problems which now cause so much tension would fade away."

"LIVE IN PEACE"

Kennedy said Americans want the Soviet people as well as themselves to be able to live in peace.

"It is this effort to push outward the Communist system, on to country after country, that represents, I think, the great threat to peace," Kennedy said.

"If the Soviet Union looked only to its national interest and to providing a better life for its people under conditions of peace, I think there would be nothing that would disturb the relations between the Soviet Union and the United States."

The lengthy interview, which took place last Saturday at Kennedy's home in Hyannis Port, Mass., was as much dialogue as a question-and-answer session.

EDITOR DISAGREES

To Kennedy's comment on the Soviet's attempt to spread its system around the world, Adzhubei replied, "I cannot agree with you in that part of your answer where you are saying that we are trying to 'communize' the world."

Adzhubei said the Communist party congress last month declared "that we are against any export of the revolution, but we are also against any export of counterrevolution."

CLUB TO SELL XMAS TREES

Plans for an interclub night with the Frederick, Md., club next month and for the annual sale of Christmas trees were made at a meeting of the board of directors of the Gettysburg Kiwanis Club Monday evening at the Lamp Post Tea Room. President Kenneth Foust presided at the club meeting and at the directors' meeting which followed.

The guest speaker was Albert Hopper, Elwood, Pa., who spoke on fund raising projects after being introduced by the president-elect, Roy Thomas. The Rev. William Yingling, Hanover, was a guest.

All standing committees presented reports at the board meeting and it was decided that the sale of Christmas trees will begin December 11 at the Acme parking lot.

Roy Thomas reported the rummage sale held recently by the club was a success and wives of club members were thanked for their help on that project.

At the interclub meeting with Frederick, the Gettysburg club will present to the Rev. Harry L. Fehl a past secretary's pin in recognition of his services in that capacity with the Gettysburg club before moving to Frederick.

The Sixth Infantry's current mission is to protect the 81-square mile U.S. sector of Berlin from possible enemy aggression and to assist, where necessary, in maintaining law and order in free Berlin.

Gettysburg, Dickinson and Messiah Colleges will eventually share in the estate of Josiah W. Kline, late Harrisburg realty developer, according to a will filed for probate Monday in the Dauphin County courthouse.

The estate consists of personal property and realty but neither has been estimated so far.

The trust fund is to be known as the Josiah W. and Bessie H. Kline Memorial National Bank and Trust Co. of Central Pennsylvania and Mrs. Kline are the trustees.

Kline died November 22.

Rockefeller Abandons His Search For Missing Son, 23

By ROBERT MYERS

HOLLANDIA, Dutch New Guinea (AP)—New York Gov. Nelson A. Rockefeller today abandoned his fruitless personal search for his youngest son Michael in the treacherous New Guinea jungle and began the long, sad journey home.

"The chances of finding Mike are greatly diminished," Rockefeller told newsmen as he left the search headquarters in Meakau, on the south coast of Dutch New Guinea.

"A miracle could happen and perhaps it will. But we must be realistic. The hope is very small," the governor said.

MISSING 10 DAYS

The governor's 23-year-old son has been missing since his native catamaran raft capsized off the swampy jungle south coast area and he tried to swim to the shore 3½ miles away on Nov. 19. A Dutch companion stayed with the overturned raft and was rescued the next day.

He has also exhibited his paintings in many art shows over a wide area where he has received many honors and favorable notices.

OKAY JAYCEES' PROPOSAL ON COURTHOUSE

The Adams County Commissioners today formally signed to renovate the courthouse and Topper building in accordance with the suggestions made in "Campaign Gettysburg."

The form, signed by all three commissioners, was sent to Donald Becker, chairman of the campaign which has already enlisted 66 owners of buildings and merchants in plans to redo their properties or stores in accordance with the plan to "create the town's historic image."

Becker said Commissioner Charles Bender told him the commissioners have not made final decision on exactly what plan will be followed for the courthouse, but its exterior renovation will be in accordance with the Campaign Gettysburg ideas. At present the commissioners are awaiting an estimate of cost on clearing the old paint from the building. Becker said Bender told him it was found that the soft brick of the more than a century old courthouse would not stand heavy sandblasting, but a concern believes the paint may be removed by a combination of chemicals and light sandblasting. If such a procedure is not feasible, or too expensive, the courthouse will be repainted in accordance with the colors suggested by Dr. Milton Osborn.

Commissioner Bender had previously announced plans to redo his own gift shop on Lincoln Square in accordance with Campaign Gettysburg.

Becker said today's mail contained signed acceptances "putting both one of the oldest and one of the newest buildings in Gettysburg in the campaign." Besides the courthouse and Topper building, the National Civil War Wax Museum, now under construction on Steinwehr Ave. and scheduled to be finished this spring, will be in accordance with the Campaign Gettysburg suggestions.

23 SHOPPING DAYS TILL CHRISTMAS

LIVING COSTS HIT NEW HIGH IN OCTOBER

WASHINGTON (AP) — Living costs edged up to a new high in October, but spendable earnings and buying power also went to new records, the Labor Department announced today.

The index of consumer prices advanced by one-tenth of one percent to 128.4 per cent of the 1947-49 average. Higher prices for new cars and consumer services were largely responsible for the increase.

The rise was "so small it can be called almost no change," Commissioner Ewan Clague of the Bureau of Labor Statistics told reporters. The usual September-October rise is greater.

GET PAY BOOSTS

About 930,000 workers will receive pay increases, mostly of a cent an hour, under wage contracts with cost-of-living escalator clauses. All major auto and farm equipment firms are included.

The spendable earnings, or take-home pay, of the average factory worker rose by about \$1.80 over the month to \$84.12 a week for a worker with three dependents and to \$76.50 for a worker without dependents.

Compared with a year ago, spendable earnings were up by \$3.70 a week or almost 5 per cent. Because the price index has gone up only 0.9 per cent over the year, the buying power of factory workers' paychecks has gained 4 per cent over the year.

1-DAY STRIKE CRIPPLES ALL FRANCE TODAY

By DAVID M. MASON

PARIS (AP)—Lights flickered out and trains tumbled to a halt throughout much of France today in the worst of a series of one-day public strikes for higher wages.

Few of France's 46 million escaped either minor frustrations or major inconveniences as about 500,000 workers of the government-operated transport, gas and electric industries carried out their protest in work stoppages that disrupted the nation's routine.

The lack of power gave thousands of non-strikers a one-day layoff and dealt city dwellers a hard blow.

PULL SWITCHES

The rolling wave of walkouts started at 4 a.m., with a 24-hour nationwide railway strike.

A blackout reminiscent of World War II years closed down over the Paris area and its 8½ million residents after electrical workers pulled switches a few hours before dawn.

Thousands of Paris workers stayed home rather than attempt to get to work by what emergency means were available.

Garbage piled up, water pressure trickled off, and long distance telephone service suffered. Radio and television stations carried on, but only battery-powered sets could receive them.

Butcher shops remained closed because of a price dispute with the government and of the power shortage, and only hand-operated pumps were in operation at gasoline stations.

The government-operated transport and utility companies have rejected employee demands for wage increases, contending they would be inflationary. The workers in turn rejected counteroffers from the government as inadequate.

Philco Sale To Ford Approved

Dutch companion, Dr. R. S. Wasing, said he was 90 per cent certain the recovered can was Michael's. But Dutch officials said its finding was not proof that Michael had drowned, that he could have left it on the beach and the tide could have carried it back to sea.

The governor and Michael's twin sister, Mary Strawbridge, flew from Merak to Hollandia on the first leg of their journey. KLM, the Dutch airline, diverted its Tokyo to Manila to Amsterdam flight to Biak Island, off the coast of New Guinea, to pick up the Rockefeller party.

The governor was expected to arrive in New York at 8:30 p.m. EST Wednesday.

Mary was to leave the plane at Manila to spend the rest of the week with husband, Lt. William Strawbridge, who is with the U.S. Pacific Fleet aboard the troop carrier Noble.

Michael had come to New Guinea last spring with a Harvard University expedition and stayed on to collect relics for the Museum of Primitive Art in New York, which his father founded and of which he was a trustee.

B47 JET FALLS AND BURNS; 3 AIRMEN KILLED

PLATTSBURGH, N. Y. (AP)—A \$2 million, B47 jet bomber crashed, burst and exploded near Plattsburgh Air Force base Monday night, killing three airmen.

A fourth crew member escaped. A second six-engine jet landed at the base moments later with two engines disabled.

Neither plane carried nuclear weapons or other armament. Killed in the crash were:

Capt. Robert A. Carrigan, 30, of Silver Spring, Md., the aircraft commander. Carrigan is survived by his widow, Jeanette, and two sons, Michael and Marvin.

1st Lt. Herbert L. Smith 3rd, 26, of Westfield, N.J., the copilot. Smith is survived by his parents, Mr. and Mrs. H. L. Smith of Westfield. He was not married.

Airman 1-C Robert L. Martin, 23, of San Diego, Calif. Martin was survived by his wife, Nancy, and a daughter, Laura Ann.

Capt. William L. Markey of Exeter, N.H., escaped from the plane after the crash. He was reported in good condition in the base hospital today. A base spokesman said Markey suffered a sprained back.

Markey was found walking near the wreckage. He could not recall how he got out of the plane, the base said.

RAN INTO ICING

The planes, from the 100th Bomb Wing at Pease Air Force Base, N.H., had not been scheduled to land at Plattsburgh.

Capt. Walter P. Schlager, pilot of the second plane, said icing conditions over the Plattsburgh area were very bad at the time of the crash. Such conditions, a spokesman at the Strategic Air Command Base here said, could cause "flameout," engine failure.

The other members of Schlager's crew were 1st Lt. Gerald G. Van Buren, Maj. Harry H. Vaughn Jr., and Capt. Howard K. Wendberg.

CAUSE UNKNOWN

Their home addresses were unavailable. The pilot of the crashed plane apparently sensed trouble while in this Lake Champlain area and attempted to land at the base, a spokesman said.

The cause of the crash was not determined. A witness told newsmen he saw the plane fly low near his house and that three of the giant bomber's six engines appeared to have failed.

Walter Kirby of nearby Valcour was in his home near the southern edge of the base's runway when the first plane approached.

GUNMAN DIES IN GUN DUEL

COLUMBUS, Ind. (AP)—An 18-year-old gunman fleeing from a string of armed robberies died in a gun duel Monday with a state trooper who had stopped his car because of a speeding report.

The youth's 13-year-old girl friend and another couple drove away from the shooting scene but were captured at a farm house three hours later. They had a 3-year-old girl with them.

Trooper Forrest Brewer, 50, Franklin, said he killed Richard Wortman of Kansas City after Wortman tried to take his gun. He said Wortman fired three shots at him, two of them before Brewer started shooting. Brewer suffered a flesh wound in the elbow.

Wortman's cousin, Monte Wortman, 23, Kansas City, Mrs. Thelma Mae Boggs, 21, Kansas City, and Sharyn Magers, 13, Chicago, were caught later. With them were Mrs. Boggs' 3-year-old daughter, Karen Elaine.

Wedding Comes As A Surprise:
Simon J. Frommeyer and Miss Fannie Steffy, both of Gettysburg, were married Saturday evening in Norristown by the Rev. Father Carr. The announcement of the wedding will come as a surprise to the many friends of the bride and groom in Gettysburg as it had been informally announced that the event would not take place until after Christmas.

Stallion Attacks Man: Henry Wolf, twenty years old, son of George H. Wolf, of Taneytown, is in the Johns Hopkins University hospital in a critical condition suffering from a badly mangled arm. On November 10 the young man went into his father's stable to bring out a young stallion. The horse was very spirited, never before having had on a bridle, and in the struggle to hold the bridle, young Wolf was knocked to the ground and trampled on by the animal. He arose to his feet, when the stallion again attacked him, imprinting its teeth in his left arm, which was badly crushed and mangled.

Real Estate Sales: Three farms near Arendtsville and in the fruit belt have been sold. John March sold his farm of 130 acres to John Kunkle for \$10,000; Robert Cullison sold his farm of 37 acres to Emory E. Wentz for \$10,000.

Runk and Peckman report the following real estate sales:
A house and seven acres of land in Biglerville, the property of J. H. Wolf to Frank Guise of York.

The 150 acre farm of J. R. Kunkle at Mummansburg to Henry Deardorff who lives on the adjoining farm.

A house and lot on Penn street, Biglerville, the property of H. F. Weikert to H. J. Oyler, of Harrisburg, who intends to move to Biglerville in the spring and engage in the implement business.

Prepared For Holiday Trade:
Gettysburg and Adams County merchants, prepared with large and attractive stocks of goods for the holiday trade are now looking forward to three busy weeks in catering to the wants of the Christmas gift buyers. The merchants, both in Gettysburg and in the county towns, have laid in large stocks which are tastefully arranged and present a very attractive display to the present hunters.

Investigate Wheat Pest:
State Zoologist Surface has started an investigation of reports of a troublesome pest that has appeared among new wheat in Southern counties. The pest is a worm that eats out the heart of the stalk as soon as it appears above ground.

"I do not know if the pest is a new one or an old friend, but it acts like a 'borer' and I have sent for samples of infected stalks," said he. "The appearance of this pest is unfortunate as a large acreage of wheat has been sown this fall."

A very enjoyable surprise party was held at the home of Mr. Henry Cool, Liberty Hall on Tuesday evening in honor of their daughter, Agnes. The following were present, Misses Edna Wolfe, Mary Weishaar, Mary Small, Agnes Cool, Mary Hoffman, Margaret Cool, Messrs. John Small, Andrew Mickley, Charles Cool, Charles Small, John Glacken, Ambrose Cool, Charles Weishaar, John Cool, Owen Mickley, Laurence Cool, Thomas Small, Daniel Cool, William Cool, Joseph Cool, Bernard Cool, George Cool and Mr. and Mrs. Henry Cool.

WASHINGTON IRVING
Excepting in the English courses in school, little is said or read these days about Washington Irving—the historian, essayist and novelist who died 102 years ago on November 28, 1859. Yet Irving still stands out as one of the most distinguished and finished of all American writers—often alluded to as "the first American man of letters."

Irving was also beloved for singular personal charm, his fine, gentle manners and his simple polished style. No early American author surpasses him in beauty of expression.

The great American actor, Joseph Jefferson, helped to immortalize Irving's "Rip Van Winkle" and his lovely stories of "Sleepy Hollow" remain golden heritages to literature.

It is Irving's "Sketch Book" though that still remains my favorite. These sweet and simple tales are written in a beautiful spirit, fresh from the heart, and with rare understanding. It is a book that every lover of fine writing and thinking should read and reread.

Irving soothes you too with his thinking and his ideals. He lifts you out of yourself and smiles you on. I always imagine him as with a liquid smile on his face.

True, there is nothing particularly exciting or forceful about Irving's writings. But there is much beauty and glorification of character. He wrote a life of Columbus, Goldsmith and Washington. And his delineation of Dutch life is still held as authentic.

In addition Washington Irving held many important positions with the United States government and was, at one time, minister to Spain. He was the son of an Orkney Islands emigrant merchant and was born in New York City.

Were I to be left but a handful of books I would want "The Sketch Book" among them! Tomorrow Mr. Adams will talk on the subject: "Wanting And Wanting."

PONTIUS PILATE

Pontius Pilate, politician, was the slave of self-ambition. He grew merrier or graver as it brought him Roman favor. Pontius Pilate stopped to measure wrong or right by Roman pleasure.

Doing good he thought a blunder if it brought on Roman thunder. He'd cause any friend's removal for his emperor's approval.

Pontius Pilate stood in terror of committing any error. He was much too shrewd and clever.

To do right for right's sake ever. O'er decisions he'd sit blinking. Till he knew what Rome was thinking.

Ere he ruled in his dominion He must first get Rome's opinion. Poor old Pilate, terror-haunted, Guessing just what Caesar wanted!

Many a man still spurs and fences And first counts the consequences And considers — more's the pity — How the voter in the city Will by honor be affected.

Will the brave man be rejected? Will the spoken truth defeat him? How tomorrow will men greet him? And, like poor old Pontius Pilate, He does naught the mob won't smile at.

Cincy Buys Dave Sisler For \$75,000

TAMPA, Fla. (AP) — The Cincinnati Reds today announced the purchase of pitcher Dave Sisler from the Washington Senators for \$75,000.

Sisler, 30, had a 2-8 record with the Senators in 45 games, all in relief. The right-hander had a 4.20 earned run average.

Washington drafted Sisler for \$75,000 last year from Detroit in the expansion draft.

Washington's decision to sell Sisler to the Reds probably was an aftermath of the Senators' purchase of Claude Osteen, a young left-hander, from the Reds last fall.

Blurred Bowl Picture Now In Focus; National Trophy Bowl Will Be Eliminated

By JACK CLARY

Associated Press Sports Writer

A once-blurred bowl picture was in sharp focus today following a rush of acceptances and the elimination of the fledgling National Trophy Bowl, in Washington, D.C.

Only two spots in nine other bowls remained to be filled. One of those, in New York's Gotham Bowl, is expected to be decided today when Auburn indicates whether it will play Utah State Dec. 9 at the Polo Grounds.

The other spot is in Houston's Bluebonnet Bowl, opposite Kansas, which along with Utah State, Miami (Fla.) and Penn State accepted postseason bids Monday. Miami will face Syracuse in Philadelphia's Liberty Bowl on Dec. 16 and Penn State will meet Georgia Tech in the Gator Bowl on Dec. 30.

SCHEDULING PROBLEMS

The National Trophy Bowl, trying for its first game this year, gave up the chase when H. C. Van Arsdel, executive director, told Memphis State that scheduling problems were too much for the sponsors. The Memphis school had hoped to get a spot in the game scheduled for Dec. 30.

Van Arsdel said he had been working on prospects since Sept. 26 but the confused bowl picture of the past week made the staging of the game "all but impossible."

The same fate could still befall the Gotham committee, which is banking on a favorable reply from Auburn, which also had been wooed by the National Trophy Bowl. Auburn winds up its regular season this week against Alabama, the nation's top-ranked team. Alabama will give its final okay to a spot in the Sugar Bowl against Arkansas after the game. Kansas' opponent will be Rice if the Owls beat Baylor on Saturday.

BOWL PICTURE

This is the bowl picture today: Dec. 9

Gotham Bowl, at New York—Utah State (9-0) definite, Auburn (6-3 with one game to play) invited.

Aviation Bowl, at Dayton, Ohio—New Mexico (6-4) vs. Western Michigan (5-3-1).

Camellia Bowl, at Sacramento, Calif.—Pittsburgh (Kan.) (9-0) vs. Linfield, Ore. (9-0).

Orange Blossom Classic, at Miami—Florida A&M (9-0) vs. Jackson (Miss) State (9-1).

Liberty Bowl, at Philadelphia—Syracuse (7-3) vs. Miami (Fla.) (6-3 with one game to play).

Bluebonnet Bowl, at Houston—Kansas (6-3-1) definite, Rice (6-3) invited if it beats Baylor on Saturday.

Tangerine Bowl, at Orlando, Fla.—Middle Tennessee (7-3) vs. Lamar Tech (6-2-1).

Gator Bowl, at Jacksonville, Fla.—Georgia Tech (6-3) vs. Penn State (7-3).

Sun Bowl, at El Paso, Tex.—Villanova (7-2) vs. Wichita (8-2).

Orange Bowl, at Miami—Colorado (8-1) vs. Louisiana State (9-1).

Sugar Bowl, at New Orleans—Arkansas (8-2) vs. Alabama (9-0 with one game remaining).

Cotton Bowl, at Dallas—Texas (9-1) vs. Mississippi (8-1 with one game remaining).

Rose Bowl, at Pasadena, Calif.—UCLA (7-3) vs. Ohio State (8-0-1).

Mississippi and Ohio State have not indicated they will play in Dallas, and Pasadena, respectively. But neither have denied that bids have been offered and that they are favorably inclined.

GRIDDER QUILTS SCHOOL

WINSTON-SALEM, N.C. (AP)—Sophomore fullback Gerald Rudelitsch of Northampton, Pa., has quit Wake Forest College. Football coach Bill Hildebrand confirmed that Rudelitsch left school a week ago and apparently does not plan to return. The coach said the youth was passing all his courses and left for personal reasons.

BAMA HOLDING SLIM LEAD IN AP BALLOTING

By TOM DYGDARD

BIRMINGHAM, Ala. (AP)—Alabama goes against traditional rival Auburn here Saturday as the nation's No. 1 college football team—but only by a narrow margin.

The Crimson Tide, unbeaten and untied in nine games, sat out an open date last weekend and lost considerable ground in The Associated Press poll to Ohio State's Buckeyes, who walloped Michigan 50-20.

The semifinal poll showed Alabama slipping from 39 first-place votes last week to only 26 this week among the 49 sports writers and sportscasters on the AP panel.

BUCKEYES STRONGER

The Buckeyes from the Big Ten, finishing an 8-0-1 season in strong fashion, increased their first-place draw from 6 last week to 21 this week.

Louisiana State is third, Texas fourth, Mississippi fifth and Colorado sixth, each moving up one rung.

Minnesota, third last week, dropped to seventh after losing 23-21 to Wisconsin.

Alabama, counting heavily on its awesome defense, is a strong favorite to dump Auburn and wrap up its first undefeated and untied season in 16 years, and then head into the Sugar Bowl.

2-TO FAVORITE

The oddsmakers figure that Alabama is two touchdowns better than three-beaten Auburn, but Alabama Coach Paul Bryant, whose team has yielded only three touchdowns through nine games, figures Auburn should give his vaunted defense a stern test.

Auburn Coach Ralph Jordan, who has seen his team lose three games by a grand total of four points, says Alabama "is a wonderful football team," but he adds: "We're not conceding anything. We've got a chance to win."

In the poll, Alabama ran up a total of 450 points on the basis of 1p for a first-place vote, 9 for a second-place vote, etc. Ohio State was only seven behind with 452.

The top ten, with first place votes in parentheses:

1. Alabama (26)	450
2. Ohio State (21)	452
3. Louisiana State (1)	366
4. Texas	354
5. Mississippi (1)	272
6. Colorado	169
7. Minnesota	163
8. Michigan State	139
9. Arkansas	131
10. Missouri	31

HAYNES TAKES RUSHING LEAD

DALLAS, Tex. (AP)—Abernethy, talk of the American Football League last year, has come back to prominence this season. He did it with his one-man show against Oakland Sunday as the Dallas star ran for 158 yards and took over the rushing lead of the AFL.

Haynes furnished the only change the past week, surging past Paul Lowe of San Diego, who was idle. Haynes has run for 689 yards. Lowe has 669 and in third place, making it a three-man fight for the championship, is Billy Mathis of New York, who has 628 yards.

George Blanda of Houston continued to lead the passers with 131 completions in 265 throws for 2,342 yards with Al Dorow of New York second with 163 connections for 2,118 yards.

OTHER LEADERS

Lionel Taylor of Denver held an easy lead in pass-receiving. He has caught 90 for 1,164 yards. Charley Hennigan of Houston and Art Powell of New York are tied for second with 61 snares each.

Gino Cappelletti of Boston has 121 points and a 25-point lead in scoring.

Charles McNeil of San Diego and Bill Atkins of Buffalo are tied for the lead in pass-interceptions with nine apiece.

Ron Burton of Boston leads in kickoff returns with an average of 28.5.

Dick Christy of New York tops in punt returns with a 21.9 average.

Atkins is the punting leader with a 45.1 yards average.

Hall Sets Passing Mark At 256 Yards

UNIVERSITY PARK, Pa. (AP)—Quarterback Galen Hall, hero of Penn State's 47-26 victory over Pitt Saturday, today held his school's single game passing record.

A check of the records Monday showed that Hall completed 11 of 14 pass attempts for a gain of 256 yards. That was nine yards better than the previous mark set by quarterback Tony Rados eight years ago in Penn State's 20-19 loss to West Virginia University.

Mount Cagers Open At Providence Friday

Three all-Maryland cagers will help Coach Jim Phelan's Mt. St. Mary's College Mountaineers as they open their season against Providence College's NIT champs Friday night in Rhode Island. Pictured left to right are forward John O'Reilly, with 613 points last season; Capt. Dick Talley, with a career mark of 976 points, and Eddie Preiffer, Phelan's dazzling back court ace with 746 points in two campaigns. On Saturday night the Mountaineers meet Shippensburg State College at 8 o'clock at Emmitsburg in their initial home game. (Ramer photo)

Basketball Squads Taking Over On Scholastic Scene

By FRED WALTERS

HARRISBURG (AP)—All but five Pennsylvania high schools can pack away their football gear this week. The basketball squads are ready to take over the sports pages for the next four months.

The five high schools that still have action ahead are Coal Twp., Old Forge and Philadelphia's Monsignor Bonner, Southern and Frankford.

Southern and Frankford play Thursday for the city's public League championship. The winner meets Bonner on Dec. 9 for the city crown. The guess here is that Southern will beat Frankford but that Bonner will win the city title.

Coal Twp. and Old Forge meet Saturday for the East Penn title. Coal Twp. was the southern division champion and Old Forge won the northern division crown. Coal Twp. is our guess to win the conference honors.

3 RULE CHANGES

Three important rules changes have been put into effect for PIAA member schools for the 1961-62 basketball season.

One would eliminate the foul throw where a member of the offensive team commits a common foul. A common foul is defined as one that is neither flagrant nor intentional or that is not part of a double or multiple foul.

The defending team will be given the ball out of bounds where the offensive team commits a common foul. The player charged with the foul will have it marked against him, even though no free throw is awarded.

A second change will permit a coach or team follower to signal or otherwise communicate with his team during a game. This is one the PIAA officials will watch with interest. The old prohibition against sideline coaching hasn't been rigidly enforced, anyhow.

The third big change will eliminate the "sudden death" overtime period. Teams tied at the end of regulation time will play as many three-minute extra periods as are needed to decide the game.

The PIAA also is polling its members whether its rules should be changed to include tournaments in the present 22-game limit on the number of basketball

games in a season. The PIAA's post-season playoffs would not be included in the limit, however, if the tournament change is adopted.

Twenty-three schools finished the 1961 football season unbeaten and untied.

The list was headed by Moneysen and Albert Gallatin with 11 wins.

Teams with 10 victories included: Pottstown, South Williamsport, Wilkes-Barre Meyers, York Suburban, Central Dauphin, Sayre, Lock Haven, Beaver Falls, Johnstown Catholic.

Teams with nine victories were: Radnor, Mahanoy Joint, Manheim Twp., Chief Logan, Somerset, Tussey Mountain, Beaver Falls, Avella, Shenango, Grove City.

Braddock and Clarion finished with eight victories.

Palmyra, Upper Dublin, Harrisburg Harris and Wyoming had only ties to mar an otherwise perfect record. Palmyra played 10 games and was tied once. Harris was tied once in eight games; Upper Dublin once in its last two contests after winning its first nine games.

ORANGE, MIAMI MEET DEC. 16

PHILADELPHIA (AP)—It will be Florida's University of Miami against Syracuse in the third annual Liberty Bowl in Philadelphia Stadium Dec. 16.

The Hurricanes, boasting one of the nation's top passing combinations and with 20 Pennsylvanians on its squad, Monday night accepted a bid to play host Syracuse, chosen last week.

Miami has a 6-3 record with the regular season finale set for Saturday against home-state rival Florida.

Syracuse, its 1961 campaign ended, won 7 and lost 3—one the controversial 17-15 after-the-game decision to Notre Dame.

The two teams had one joint opponent—Penn State. The Hurricanes won 25-8 while the Nittany Lions topped the Orange 14-0.

Big offensive guns for the Miami eleven are soph quarterback George Mira and senior end Bill Miller. Miller, from McKeesport, Pa., has caught 100 passes for 1,392 yards for a new Miami record.

Miami, which has played three times in the Orange Bowl, made its last post-season appearance in the 1952 Gator Bowl.

Syracuse is heading for its fourth bowl game in six years.

Pittsburgh Youth To Captain Crimson

CAMBRIDGE, Mass. (AP)—Richard C. (Dick) Diehl, 210-pound tackle from Pittsburgh, Pa., will captain the 1962 Harvard football team.

Diehl, son of a former Ohio State quarterback, was named by Crimson lettermen Monday, succeeding end Pete Hart. Diehl was one of 15 eligible juniors in balloting by 33 lettermen.

Minnie Minoso Swapped For Joe Cunningham In Even-up Deal; 35 Players Purchased

By JOE REICHLER

Associated Press Sports Writer
TAMPA, Fla. (AP)—Minnie Minoso, one of baseball's top-flight performers for 12 years, joined super-star Stan Musial in the St. Louis Cardinal outfield today following his trade by the Chicago White Sox for outfielder-first baseman Joe Cunningham.

The even swap, consummated Monday night after hours of negotiations, was the second inter-league deal of the day at the annual baseball convention. Cleveland sent right-handed pitcher Bobby Locke (4-4) to the Chicago Cubs for infielder Jerry Kindall (2-2).

Johnny Keane, manager of the Cardinals, was almost as pleased by the acquisition of Minoso as he was when his daughter presented him with his second grand-

child last week.

YOUNG OUTFIELDERS
"Minnie will play left field and Musial will switch to right," he announced. "Stan is equally at home in right field as he is in left."

"The addition of Minoso not only gives us more experience in the outfield but it adds punch mixed in with Ken Boyer, Bill White and Musial. Also, it will enable us to bring along our two promising young outfielders, Charley James and Carl Warwick, the way we want to. They'll spell Minoso and Musial when they show signs of needing a rest."

Curt Flood, who finished strong last year, batting .322 in 132 games, will patrol center field. He is 23 to Musial's 41 and Minoso's listed 39, although some insist he is at least 42.

Al Lopez, manager of the White Sox, was just as pleased with Cunningham as Keane was with Minoso.

MAY TRADE SIEVERS

"Cunningham not only is a good hitter," said Al, "but he gives us maneuverability because he can play first base as well as the outfield."

The acquisition of Cunningham, who batted .226 with seven home runs and 40 RBIs in 113 games last year, paves the way for further trade possibilities. The White Sox reportedly are willing to swap Roy Sievers, their slugging first baseman, for either a starting pitcher or a third baseman.

Sievers, 35, slammed 27 home runs and drove in 92 runs on a .295 batting average last season. Minoso, despite his age, is still one of the fastest men in baseball and swings one of the biggest bats. The colorful Cuban led the White Sox in runs scored with 91, stole nine bases, hit 14 home runs and drove in 82 runs despite a .280 batting average, his lowest in 12 seasons with Cleveland and Chicago. He owns a lifetime mark of .305.

Cunningham also owns a better-than-.300 lifetime batting average in six years in the major leagues, all with the Cardinals. A left-handed hitter, Cunningham, 30, was runner-up to Henry Aaron of Milwaukee for the National League batting title in 1959, hitting .345.

BOUGHT AT 35 PLAYERS

It was a busy day for the talent-hungry major league players purchased 35 minor league players for a record outlay of \$680,000 in their annual raid of their rivals' farm systems.

Minnesota, Cleveland and the Los Angeles Angels selected four players apiece while Baltimore, Kansas City, Washington and the White Sox drafted three each.

The Senators had first pick and drew Ken Hamlin, a weak-hitting shortstop who only a year ago had been acquired by the Angels in the special American League draft for \$75,000. This time, Hamlin cost \$25,000, the standard minor league draft price. The selections included 15 first-year players at \$12,000 each.

OTHERS DRAFTED

Some of the better known names drafted were outfielder Gino Cimoli by Kansas City, race, the first player this season to hold first place for more than a single week. Marshall has 13 goals and 17 assists for 30 points, one more than Springfield's Brian Kilrea, who moved up with an 8-point production last week. Marshall and Dick Gamble of Rochester, both of whom have pulled off two 3-goal hat tricks this season, have the most goals, 13 each, and Alex Faulkner of Rochester has the most assists, 22.

Faulkner is third in scoring with 27 points. Bill Sweeney of Springfield is fourth with 26, and Gamble is tied for fifth with Jimmy Anderson of Springfield at 24. Marcel Paille of Springfield and Bobby Perreault of Hershey are in a virtual tie for the goalkeeping lead. Paille has given up 21 goals in 10 games for a 2.10 average while Perreault has allowed 34 in 16 games for a 2.13 average.

DID GOOD JOB ON CHICAGO JAZZ SHOW

By CYNTHIA LOWRY
AP TV-Radio Writer

NEW YORK (AP) — "Chicago style" they called it, meaning the kind of music that blew out of the Windy City in the raucous, boozing days of the 1920s. Sunday night, NBC's "Show of the Week" did a good job of showing us what the word jazz used to mean.

They assembled a lot of old-time musicians who were there—instrumentalists and singers—to recreate the roaring Twenties in Chicago. When they couldn't produce the artists, they turned to old pieces of film.

Actually, the film clips were more in the mood and certainly more kind than the live-on-tape reconstruction of Chicago-style music making. There was a bit with Bessie Smith, with the voice like a cello, singing a blues song. Marie Smith shouting a comedy song. And a slim young trumpet player with a huge white-toothed grin named Louis Armstrong.

MOORE EMCEE

But when the musicians were reassembled to relive the good old days, we saw a number of middle-aged, portly men and women, some with hair powdered with snow, others balding and bald. The ladies had verve as they sang—but, oh my, they shouldn't have tried to dance.

Gary Moore was host and guide on the trip backwards four decades and it was all most enjoyable, except everyone looked so old. It was perhaps a sharp reminder that we're getting along too.

KOVACS IN FORM

Ernie Kovacs may not always be on target with his humor, but you've got to give him credit.

Jockey Is Injured In Auto Accident

WAYNESBORO, Pa. (AP) — A jockey who rides on Maryland and Virginia horse tracks was in satisfactory condition Monday after a car wreck Saturday night. James Kirk, 19, Greencastle, Pa., received a brain concussion and extensive cuts and bruises in the accident, which caused an estimated \$8,600 damage.

His wife, Mrs. Connie Maun Kirk, 1, was in fair condition with a broken arm and ankle.

Police said Kirk's car smashed into an auto driven by Roy Nelson Brindle of Fayetteville, then crashed into the brick home of Miss Mary Stouffer.

Damage to the home was estimated at \$5,000.

He'd rather die than be caught telling a "something funny happened to me on the way to the studio" joke.

Friday night Kovacs was on the ABC screen for a solid 30 minutes (entertainment plus very entertaining commercials) and never once told a joke. As a matter of fact, he didn't speak a word and neither did anyone else. But there were plenty of gasps—crispy, imaginative ones—and lots of sound effects and music.

Kovacs may be an acquired taste, like rutabagas, but once you acquire it, you find him irresistible.

SERIES ON NBC

NBC started a three-part series of programs on space flight Friday night, repeating a lot of material showing rocket launches, most of us had seen before, but explaining the purpose and meaning of the great adventure. This series is called "Crossing the Threshold" and before it is finished a lot of us are going to stop asking, "Why try to go to the moon when we've got trouble enough right here?" The Soviet space flight film shown may have been a TV scoop but it didn't show us very much.

16 KILLED IN ALGERIAN WAR OVER WEEKEND

ALGIERS (AP) — Lynching, shooting and grenade-throwing by anti-De Gaulle Europeans and Algerians in revenge clashes killed 16 persons and injured 87 in one of the bloodier weekends of the seven-year Algerian war.

French troops and police were caught in the middle as terrorism swept Algiers and the big western port city of Oran.

Waving clubs, a screaming mob of Europeans broke into a jail in Algiers, lynched one Algerian woman and savagely beat another before police reinforcements drove them off. The women had been arrested after a grenade wounded three Europeans in a sidewalk café.

YOUTHS ATTACK MOSLEMS

In Oran, 220 miles to the west, bands of European youths roamed the streets, attacking any Moslems they encountered in revenge for the killing of Jean Rivas, 22, who was shot in the neck as he walked along a street. Three Algerians were reported killed and

CARA TALKS LOTS ABOUT HER CAREER

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP) — Cara Williams is an actress who talks a mile a minute, usually about things she isn't supposed to talk about.

Cara is the ever-loving Gladys of the CBS-TV show, "Pete and Gladys." As costar of a million-dollar enterprise, she is not supposed to discuss things publicly that might destroy illusions and endanger the investment. So they keep telling her.

"About your real estate—" I began.

REAL ESTATE, STOCKS

"It's going great," she said. "Don't let any actor tell you TV is for the birds; it's great. Because of TV, I've been able to make investments for the first time in my life. Got four houses now. Two of them are rented."

"But gee," she said, "real estate is one of the things CBS does not want me to talk about."

"Doing fine there," she said. "Bought 600 shares of one stock at \$1 and it went up to \$19. My broker wanted me to sell, but I told him all I could lose was \$600. Now it's down to \$4, but I'm still ahead."

GAMBLER AT HEART

"I guess I'm just a gambler at heart," she went on. "But I've given up those poker games I used to play every week. Some of the boys were newspapermen, and I quit after I won \$647 one night. Even if they were friends, they were still newspapermen and it might get printed."

"Now I play with the film crew on the set at lunch time—25-50 cents, that sort of thing. Can't get hurt and it's good to be friends with those boys," she blurted out. "No, no, no! I'm really not supposed to talk about gambling."

But she was permitted to talk about "Pete and Gladys," which she likes. Cara is making a name for herself as a comedienne, despite occasional comparison to Lucille Ball.

FEW POINTS IN COMMON

"That I can't figure," she said. "We're both redheads, but otherwise we're not a bit alike. I Love Lucy" was a three-camera live show, in which Lucille played to both the studio and the home audience; the comedy had to be broad. Ours is a one-camera filmed show, which allows more

six injured in these attacks. Nearly 60 plastic bombs, favorite weapon of right-wing European extremists, exploded in Algiers during the weekend.

Clandestine broadcasts by the right-wing Secret Army Organization, led by fugitive French military officers opposed to President Charles de Gaulle's self-determination policy for Algeria, stirred up the mobs.

5 Traffic Lights Controls Stolen

WILMINGTON, Del. (AP) — Automatic control devices were stolen from five traffic lights along heavily traveled US 202 early Sunday.

The theft was detected at 8 a.m. The highway, a four-lane divided road, is one of the main routes between Pennsylvania points and Delaware.

Police valued the control devices at a total of \$6,000. They were located at lights along a five-mile stretch. Police said the boxes housing the devices were opened with a key.

FORD MOTORS SUIT

WASHINGTON (AP) — The Justice Department filed a civil antitrust suit Monday against the Ford Motor Co. over its acquisition of Electric Autolite Co.

The suit was filed in U.S. District Court in Detroit. A department spokesman said the suit asks the court to order Ford divest itself of two manufacturing plants, sales facilities and the "Autolite" trade name it acquired last spring from the Electric Autolite Co. of Toledo, Ohio.

"Oh dear, I'm not supposed to say that name, either."

The reference was to her ex-husband.

"But at least I meant senior, not junior," she added apologetically.

HUNT MENTAL PATIENT WHO KILLED FIVE

MINEOLA, N.Y. (AP) — Forty detectives have been assigned to track down an escaped mental patient accused of massacring the family of a brother-in-law who helped him come to this country a year ago.

Named in a first-degree murder warrant is Mate (Mike) Ivanov, 38.

"Irrefutable evidence" places the mentally disturbed Ivanov in the home of Peter Gregov at the time of the five slayings Saturday, according to Stuyvesant Pinell, Nassau County chief of detectives.

The killer methodically stabbed and slashed to death Gregov, 39; Mrs. Gregov, 35, and their three sons, then neatly covered the bodies—Gregov's with a rug, the others with blankets or sheets. The mother's and sons' hands were bound behind their backs.

Gregov was a waiter, holding down two jobs, one in a night club as head waiter, the other in a restaurant.

CAME FROM YUGOSLAVIA

Gregov came to the United States several years ago from Yugoslavia. In 1956, he helped a brother come here. Last year, he helped another brother, his sister and her husband, Ivanov, immigrate.

Neighbors said Gregov opened his Long Island home to the Ivanovs and they lived there for several weeks.

Domestic difficulties developed in the Ivanov family and Gregov asked his sister to take her troubles to Domestic Relations Court, she said. That led to Ivanov's committal on June 12 to the Central Islip State Hospital. He escaped Nov. 15.

NO FORCED ENTRY

Mrs. Ivanov said he was carrying a kitchen knife under his belt when he came to her residence in Brooklyn Saturday morning.

Police said the Gregov family feared Ivanov because of Gregov's role in the committal.

Pinell said there was no sign of forced entry and, except for the covers removed from the beds to place on the bodies, no disorder.

Ivanov had been "depressed, upset and threatening suicide" at the time of his admission, said Dr. C. J. C. Kennedy of the hospital staff, but was "a quiet patient, a well-behaved patient."

Adolf Eichmann Learns Fate Dec. 11

JERUSALEM (AP) — The trial of Adolf Eichmann will resume Dec. 11, the Israeli government announced Monday.

The former Nazi official is accused of major responsibility in the death of millions of Jews in Hitler's extermination camps.

The final phase in the lengthy trial will include the reading of the 300-page judgment which the three judges have drawn up, pleas by Israeli Atty. Gen. Gideon Hausner and German defense counsel Robert Servatius, Eichmann's final statement and the pronouncement of sentence. This is expected to take about 10 days.

JOAN FREEMAN TAKES COURSE IN ACCOUNTING

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP) — Should a starlet think about other figures besides her 35-19-35?

Yes, says Joan Freeman, who can handle these figures and the other kind, too. And get this: She wants to be a certified public accountant.

No C.P.A. ever looked like Joan in a bathing suit.

But if it's a publicity stunt, she is going to extremes to put it across. She is taking six hours of accounting and economics at UCLA every week.

I tracked down the budding accountant at 20th Century-Fox during a dull in filming of "Bus Stop," the ABC series.

How did Joan happen to favor financial study?

"PRACTICAL COURSE"

"I was taking a theater arts course at UCLA," explained the brown-haired beauty "I realized that the requirements included lighting, set-designing and all kinds of stage craft that offered much work for few units. So I'd be working all day, then coming back to school at night to appear in plays. That was too much for so little credit."

"I looked through the catalogue and a business course seemed more practical. I figured if I did make a go of acting it would help to know what to do with money. I might not be able to keep any of it, but at least I'd know where it was going. Economics is tough, but I'm enjoying accounting."

So are the male accounting students, no doubt. Price-Waterhouse might well send its talent scouts out to see her. Can you imagine a doll like Joan handing out the envelopes at the Oscar feast?

Right now her mind is more on hopes of being on the receiving end of awards. She is off to a

A Lovelier You

By MARY SUE MILLER

GRACEFUL MANEUVER. Answer me this: Why do many women wriggle into a coat, as if it were a girdle? The maneuver puts a strain on a lady's grace, not to mention her coat.

The common practice of diving backward into a coat is no less awkward. Really, it's tomboy stuff.

To avoid writhings of any sort, slip on a coat this way: 1. Hold it by center of neckband with lining toward you; insert right arm into sleeve and anchor shoulder seam on your shoulder. 2. Reach behind your neck with left hand, slide neckband across your shoulders. 3. With your right hand, draw left side of coat away from your body. Insert your left arm in sleeve by raising your elbow until the fingertips are posed directly over armhole.

At first you may find the procedure tricky, but it will become automatic after a bit of practice. And then you will know what is meant by "easy grace."

Of course, when an escort helps you with a coat, your tactics are

somewhat simplified. Still you can never plunge both arms into the sleeves at the same time. Not unless you wish to chance a right to the gentleman's chin!

With help at hand, stand slightly sideways to your coat before slipping arm in sleeve. Bring the other arm into position by pivoting in the waist. Be careful not to move your feet. Shuffle about and you'll scuff your escort's shine!

At this point it may seem that grace is made up of trifling things and so be it. But your grace is no trifling thing.

For a lovelier figure, walk with the grace that nature intended!

good start, scoring some good dramatic moments in "Bus Stop." She still lives with her parents in Burbank and drives to work in the family car.

Joan prepares her own income tax return, which is pretty good for a 20-year-old who is also a girl.

Mr. and Mrs. M. A. Naylor, Aspers, celebrated their 30th wedding anniversary at a dinner Sunday at their home given by their children. Those attending included Mr. and Mrs. R. E. Weigle and sons, York Springs; Mrs. Henry Gilbert and daughter; Lloyd, Donald, Fred and Gail Naylor, Aspers, and Miss Joan Lank, of Gettysburg, who was an additional guest.

BOYLE'S Grab Bag

By HAL BOYLE

NEW YORK (AP) — What performer has entertained more people than any other man in history?

The nod might well go to Bob Hope, who didn't invent vaudeville, and stage, movies, radio or television—but became a top star in all those fields.

Versatile Robert this year is celebrating his 25th year in films. In the last quarter century Hope figures he made 53 movies and they brought in some \$250 million.

"All but one or two got into the profit picture," he remarked. "That feat in itself is enough to win Bob a golden name forever in Hollywood annals—if not an Academy Award."

At 58, Hope's hair is thinning a bit, but he still has the fastest quip in show business. He said during a stopover here the other day that he's trying to slow down, as his doctors suggested some years ago.

The trouble is—he doesn't know how to.

"I keep a schedule on my washstand, a schedule on my desk, and a schedule in my car," he said.

"I have to lead a scheduled life. There isn't any other way."

In addition to his chores as an entertainer, Bob has multimillion-dollar business interests ranging from oil wells to dairy farms, packing plants and professional baseball and football clubs.

SIMPLE FORMULA

"But I try not to let it all get my stomach worked up," he said. "His success formula is simple."

"Keep moving. Never let yourself get trapped. Try doing different things so you never feel stale," he says.

The problem of boredom that afflicts some stars who find fame chafing and wearying never has upset Hope. After more than 40 years in show business he is still in love with an audience—any audience.

"I don't have time to think about boredom," he said. "If I had my life to live over again, I couldn't—I wouldn't be able to find the time."

"You get bored only when you bore the audience—or when you get stuck doing the same thing. I try to avoid that."

SENSE OF CHARITY

"The warmest feeling I have gotten out of success is being able to sit down and write a check to help someone else. It's a great kick to anyone who ever had to fight for his bread."

"After you have a little luck in life, and get your annuities paid, you sit back and ask yourself, 'Now what?' The lucky people are those who learn how to do it—to give it away."

"Some people never get wise."

FROWNS UPON CUBAN CENSURE

PORT OF SPAIN, Trinidad (AP) — Argentine sources said Monday Argentine President Arturo Frondizi told Adlai E. Stevenson he feels an inter-American foreign ministers' meeting to condemn the Fidel Castro regime in Cuba would be too hasty.

Frondizi and Stevenson, the chief U.S. delegate to the United Nations, conferred for two hours and 40 minutes late Sunday night on Cuba and other problems facing the Western Hemisphere.

Colombia recently called for such a conference but the Argentines said Brazil, Mexico and Ecuador would not join in such a meeting. They suggested this might result in a breach in the inter-American system.

Neither Stevenson nor Frondizi gave specific information on the hurriedly arranged conference, which brought Stevenson down from New York. Frondizi is starting a visit to Canada and the Far East.

Opposition To Expressway Route

PHILADELPHIA (AP) — The president of Swarthmore College who is leading opposition to a proposed route for the Midcounty Expressway doesn't think the federal government will withhold funds for the project because of the opposition.

Dr. Courtney Smith, who opposes the so-called Blue Route for the expressway, said Sunday the proposed highway is an important part of the interstate highway and defense plans of the federal government.

He discounted Highway Secretary Park Martin's statement indicating that the federal government might divert to other projects funds earmarked for the expressway through Delaware and Montgomery Counties unless opposition to the route is abandoned. Martin said such action was "possible, but not likely."

"It reminds me of once when I was in Texas. I was with a fellow who pointed at another man and said, 'There's a poor millionaire.'"

"What do you mean?" I asked. "He doesn't know how to give away his money," my friend said.

No one says that about Bob Hope. He learned early how to avoid being "a poor millionaire."

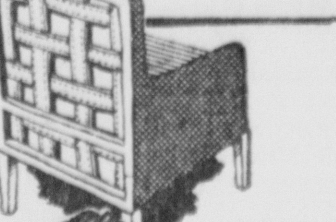

He is as quick with his checkbook as he is with a wisecrack.

At the peak of his career he is as well-loved for his sense of charity as for his sense of humor.

WASHINGTON (AP) — Ever since last summer Chester Bowles, No. 2 in the State Department, has looked like a man who had been put on probation but was going to lose his job anyway.

President Kennedy seemed unable to make up his mind about his undersecretary of state. It was hardly a good or happy situation for a State Department man who had to deal with foreign governments. Bowles seemed to want to cling to the job.

Now Kennedy has bounced him from the undersecretary's job, offered him another.

Sunday, in the first big shake-up of his administration Kennedy shifted around a group of White House and State Department officials, including Bowles.

KENNEDY IS VAGUE
All the changes were specific except the one affecting Bowles who had been an adviser to Kennedy in the 1960 presidential campaign, head of the Office of Price Administration during the war, an ambassador to India, and governor of Connecticut.

In Bowles' case Kennedy was just as vague as he had been before. The announcement made from Kennedy's headquarters at Hyannis Port said simply that Bowles would get a "high policy-making position."

Perhaps this means he'll be offered a job as roving ambassador. If so, it's the kind of job rumored in store for him last summer when it became clear, but perhaps not to Bowles, that his days as undersecretary were numbered.

WAS "EMBARRASSING"

Two things are odd about this case: The way Kennedy handled the man who was next in command to Secretary Dean Rusk at the State Department; and the way Bowles took for months what amounted to a public embarrassment.

In the first place it has never been made clear — certainly not

officially clear — why Kennedy was dissatisfied with Bowles.

Last summer for several days there were news stories predicting Bowles was going to be yanked and made a roving ambassador because he didn't get along well in the State Department and was not a good administrator.

"DIDN'T GET ALONG"

This didn't make much sense in view of the high administrative jobs Bowles had handled: As boss of OPA during the war and, after it, of the Office of Price Stabilization, and as governor of his state.

This writer has been told by a source who ought to know that Bowles did get along well at State. It's an educated guess that Bowles and Kennedy didn't get along well.

The stories predicting Bowles' downfall indicated the information critical of his performance at State came from White House people close to Kennedy.

But the anti-Bowles outburst was followed by a story—clearly pointing to its unnamed informant as men around Bowles—which said bluntly he'd get out of the Kennedy administration if he was removed as undersecretary.

CONFLICT NOT OVER

The same day the pro-Bowles story appeared, Kennedy lunched with him and the White House denied Bowles was leaving.

This inspired liberal Sen. Joseph S. Clark, Pennsylvania Democrat and supporter of liberal Bowles, to announce on the Senate floor the conflict involving Bowles was "all over." It didn't seem over to a lot of people in Washington.

Then Kennedy added to the uncertainty by saying at a news conference he had never asked Bowles for his resignation, had complete confidence in him, and always expected him to serve out the life of his administration.

"ON THE CHUTE"

But—Kennedy didn't say Bowles

Sentences Youth To Review Article

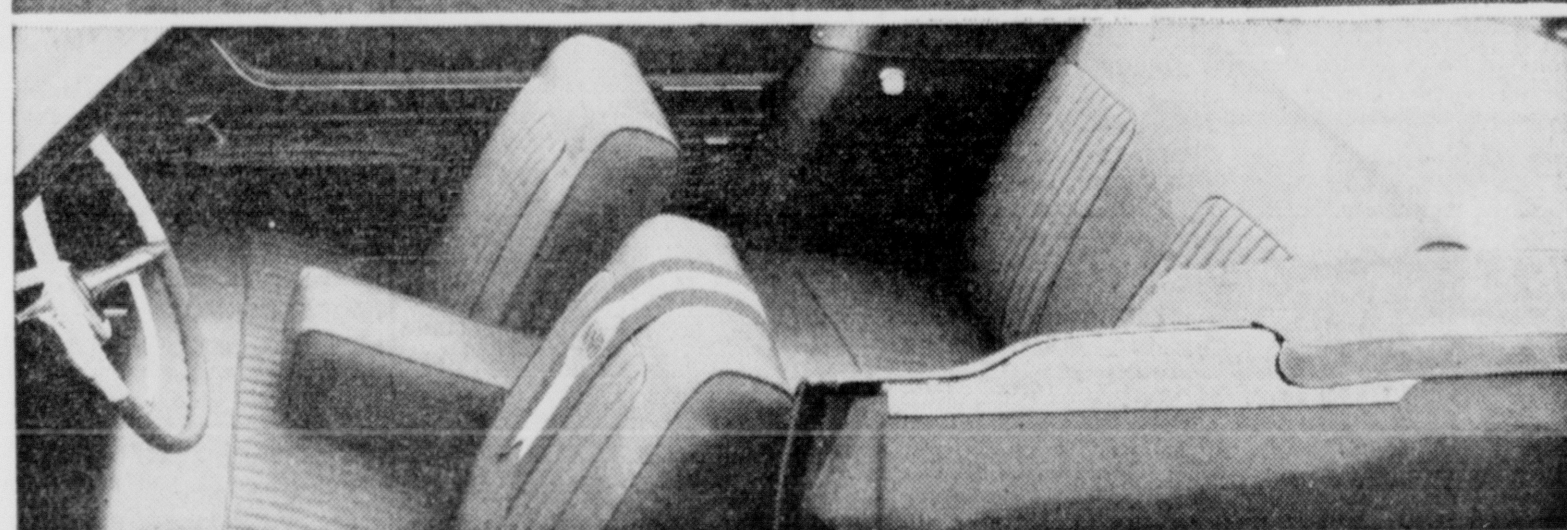

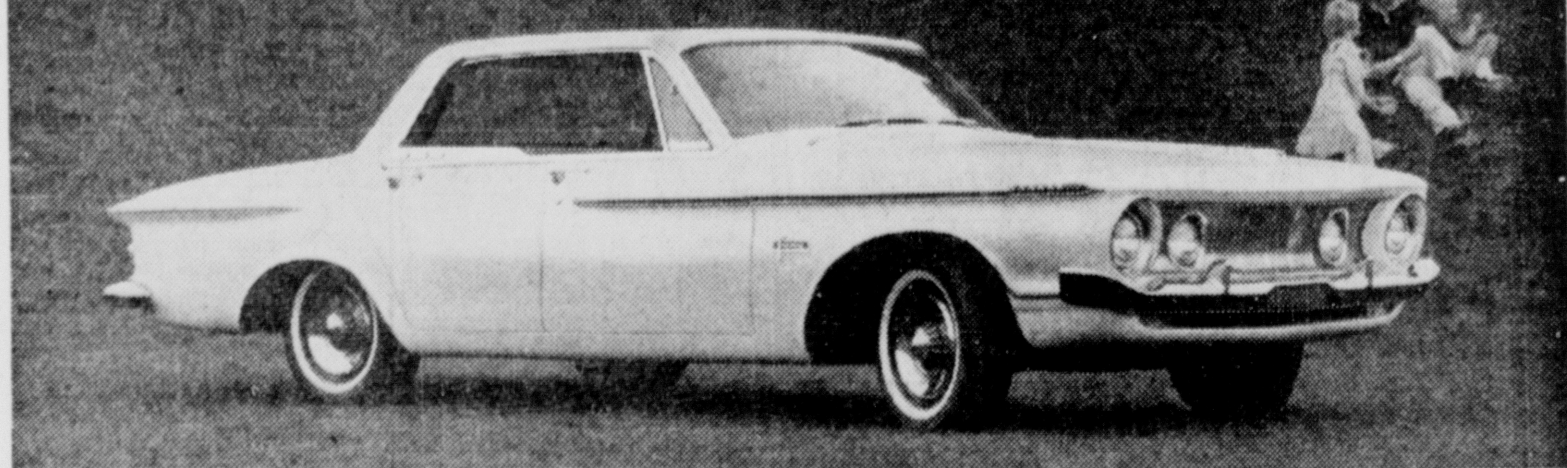

MEADVILLE, Pa. (AP)—An 18-year-old youth convicted of three charges involving burglary and larceny has been given an unusual punishment as part of his sentence.

Judge Herbert A. Mook, of Crawford County Court, ordered Jimmy Edward Small, of Meadville, Monday to prepare a review of an article that recently appeared in a national magazine.

The article concerns a young man who regretted leaving school. The judge ordered the report after Small had told the court he left school in the 10th grade. The report must be submitted to the judge by Friday.

In addition to ordering the review, Judge Mook also placed the youth on three-year probation, fined him \$300 and ordered him to make restitution and pay costs.

Unique Service Held; 198 Denominations Represented

By GEORGE CORNELL
NEW DELHI, India (AP) — Some were barefooted. Some were in silken finery. There were New Zealand bishops, preachers from Togo and Switzerland, women in pink hats from Ohio. Slowly and silently, rank on rank they moved to a carpet spread on the ground before a lofty cross and there they knelt and partook of a hallowed repast.

The words spoken were old but the circumstances were new as the most diversified congregation of Christians ever assembled joined Sunday in the Lord's Supper.

It was held according to Anglican rite but believers of most other branches of faith—Baptist, Presbyterian, Old Catholic, Reformed Lutheran, Methodist and others—took part.

PART OF ASSEMBLY

The unusual service bringing various kinds of Christians together in their central act of worship was held as part of the general assembly of the World Council of Churches.

Officials said that while interdenominational communions had been celebrated before at council gatherings never before had such

a body of Christians from such a range of traditions and customs participated.

It also was the first time an Anglican communion open to all baptized members of the various churches was held in connection with the general assembly.

The service was conducted in a giant tent with chairs for pews. On hand for the event, either serving in the improvised chancel or filing forward to receive the bread and wine, were many of the ranking officials and prelates of the churches.

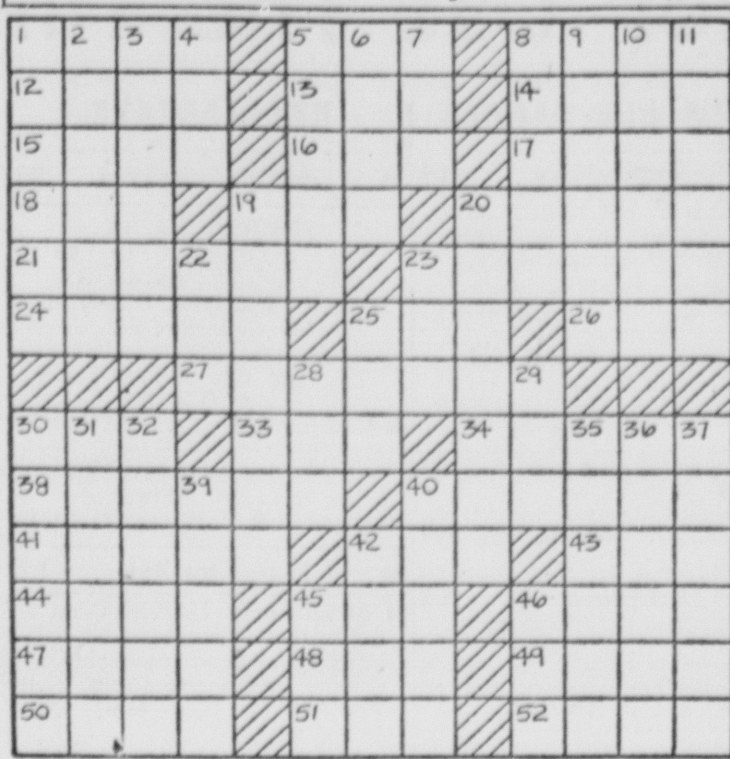

The archbishop of Canterbury, Dr. A. M. Ramsey, sat behind a white floral-decorated altar with six tall candles atop it. Before it and around it moved other prominent figures from 198 denominations representing 300 million members.

HARRISBURG (AP)—Pennsylvania newsmen can now mount flashing amber lights on their cars when driving to cover news emergencies.

A new law granting this privilege became effective Monday.

The lights also will have to be approved by the State Revenue Department.

Storm Forecast Brings Evacuation

WASHINGTON (AP)—The Air Force has been evacuating its radar warning towers in the Atlantic Ocean whenever a forecast warns of winds of about 57 miles an hour or more.

The policy is believed to stem from the collapse of one of the towers last January, although Air Force sources did not say so.

Standing in open sea, off New Jersey, the three-legged Texas Tower buckled during a violent storm and collapsed, dragging 28 men to their deaths.

The towers, part of the air raid warning system, are designed to withstand winds up to 125 m.p.h. and 35-foot waves.

ARMY WILL USE GLASS DISHES

WASHINGTON (AP)—The Army wants its mess halls to seem more like home. So it has decided to feed its soldiers from glass dinnerware instead of institution-type trays.

The idea is aimed in part at providing "a more homelike atmosphere in enlisted men's mess halls," an Army statement said.

Another objective: to increase "appetite appeal" and thus get soldiers to waste less food.

The new dinnerware will be available in white, with either a green or burgundy band to dress it up.

It will include plates, bowls, cups and saucers, and two sizes of glass tumblers. Soldiers will be given plastic serving trays to carry the chow to their tables.

There is no target date for Army-wide conversion to the new tableware, the Army said. It will be up to individual commands to change over when they have the funds to do so.

Nuclear-Powered Ship Getting Fuel

WASHINGTON (AP)—The nuclear-powered merchant ship Savannah is getting its first load of fuel.

An Atomic Energy Commission spokesman said the loading of the \$35.6 million ship's reactors with 17,000 pounds of uranium oxide fuel is expected to be completed this week at the Camden, N.J., shipyard. The fuel is enough to provide service for 3½ years without refueling.

The Savannah, first ship of its kind, is being built by the AEC and the Maritime Administration as a demonstration vessel.
